

Village Park Family Dental
12617 Louetta Rd. Ste. 204
Cypress, TX 77429

Financial Policy

Payment for services is due at the time services are rendered. We accept Cash, Check, Debit cards, Master Card and Visa as forms of payment. We are committed to providing you with the best possible care. If you have approved dental insurance, we are anxious to help you receive your maximum allowable benefits. In order to achieve these goals, we need your assistance and your understanding of our payment policy.

INSURANCE:

As a courtesy to our patients, we will bill your primary insurance company. Your insurance policy is a contract between you and your insurance company. As a health care provider, we are not party to that agreement. Insurance policies vary and treatment may not be covered fully or may not even be covered at all. Our fees reflect our commitment to the quality of dentistry our patients deserve and are considered usual and customary for this area regardless of any insurance company's determination of what they would like the fees to be.

While the filing of insurance claims is a courtesy that we extend to our patients, all charges are your responsibility from the date services are provided. We will allow 30 days from the time your claim is submitted for insurance benefits to be paid. After that time, all charges are due and payable by you.

SERVICES CHARGES:

A finance charge of 1.5% per month (18% APR) will be applied to all accounts 60 days or more past due.

There is a \$25.00 fee for returned checks.

Any fees incurred in the process of collecting payment are payable by the patient.

MISSED APPOINTMENTS:

Accounts will be charged a broken appointment fee for any missed appointments without at least 48 hours notice. Once an appointment has been made, please remember that this time has been reserved specifically for you. This enables us to better serve your needs.

FINANCIAL CONSENT:

The patient (guardian) agrees to be fully responsible for payment of all treatment performed.
